

PBHS Key Club's Spooky Scary NEWSLETTER

Written by Melanie Urena

TRICK OR TREAT!

...For UNICEF. That's right trickster tornadoes, your Trick or Treat for UNICEF boxes are to be shipped by December 1st. Please make sure you write your name and the amount of money on the box somewhere visible. The money will be donated to combat MNT (maternal and neonatal tetanus), a disease that can stop newborns from feeding. Do your best!

If you bring a jar of peanut butter and a jar of jelly to Ms. Gould (315) by November 9th, you can get an hour for every pair you bring! The club with the most jars gets a pizza party.

UN-BOO-LIEVABLE!

Happy Halloween Key Clubbers!

What a great way to start the Halloween season! We've had a skele-TON of freshman attending events. All we can hope is that this kind of hard work stays persistent throughout the school year, so please don't stop attending so many events!

Thank you all so much for the amount of hard work and devotion you've poured into the club this early on, and please continue to do so for as long as you can. This newsletter will discuss upcoming events and what to expect from our club. You will also learn about DCMs. Though this one is a bit earlier than usual, thank you for reading this special issue of the PBHS Key Club's newsletter. It may be too spooky for you....

Next meeting: November 13th

Bring non-perishable foods!

UPCOMING EVENTS

Steps for SOS & Miles for Smiles

Two charity walks occurring on November 4th with 6am registration and 7am start.

Steps for SOS is at Tradewinds Park Coconut Creek and Miles for Smiles is at Broward Children's Center.

Photo taken by Dionna Johnson

Granny's Attic & Breakfast With Santa

Two events taking place at the civic center. Granny's Attic will be November 18th and Breakfast With Santa will be December 9th. Times will be posted on Remind before the event and discussed at the next meeting.

What are DCMS?

DCMs are Divisional Council Meetings, which are organized by the lieutenant governor of our division, Bailey Campbell. Bailey just so happens to be a member of our club, too! A division is a group of schools in a similar area, so our division (23B) has schools like our neighbors, Blanch Ely and Deerfield Beach High School. It's important for you to go to

DCMs to have a better understanding of what other clubs are doing so you can contribute. Although mostly officers attend, it's good for normal members

to go too and help represent their clubs. DCMs are the third Saturday of each month, and Bailey will usually send out a link for you to let her know you are attending. The link will be posted to Remind, so please be on the lookout!

Cat got your tongue?

If you have any questions about events or the club in general, feel free to contact an officer via Remind101. Our phone numbers were handed out during a previous meeting, but if you still need them, just ask. Also don't forget to get those Trick or Treat for UNICEF boxes filled as much as you can! You can turn them in at the next meeting.

Social Media

Be sure to follow our club's social media to stay updated, and feel free to tag us!

Have any photos you've taken at events? Send them to

melanieurena0725@gmail.com

And you will be credited in the newsletter and the photo will be posted to the club's Instagram.

Have a great Halloween, collect that UNICEF money, and thank you for reading!

“Friends hurt you, friends cancel plans, pancakes don't!”
