What Have You Missed?

It's been a crazy week full of harvest drives, charity walks, and now preparation for the upcoming events. The Key Club Potluck is being organized by Broward Parks & Rec. Breakfast with Santa is also coming up, so get ready to put on your elf costumes and prepare for a storm of kids! In this newsletter, you will read about Key Club's second largest event (right next to ICON), DCON. There will also be some info on committees, officer information, and a detailed explanation of the upcoming events. Please bring red t-shirts to the next meeting, and see next page for upcoming events. Thank you for reading this edition of the newsletter, and have a lovely Thanksgiving!

Upcoming Events

Key Club Potluck

Taking place on December 2nd, from noon to 4:00pm. A get-together involving division 23 with games and other activities. Please bring \$5 or enough food to feed around 20 people. All proceeds go to the CMN (Children's Miracle Network). The location hasn't been decided yet

Breakfast With Santa

At the civic center from 9:00am to 11:00am, volunteers have the job of handing out raffle tickets to people and being polite. You also have to dress up as an elf, which is one of the most memorable parts of this event. Breakfast is free for volunteers, and do keep in mind that you have to have a high level of politeness and tolerance at this event due to the amount of people/kids.

Yuletide Parade

On December 7th at 6:00pm to around 9:00pm on Atlantic Blvd and McNab Park, volunteers will have tasks such as walking around with signs, dressing up, and helping out with the McNab party after the parade.

Tree Decorating

On December 9th at the E. Pat Larkins Community Center (520 NW 3rd St, Pompano Beach, FL 33060) We will be decorating trees with keys and other ornaments. Please feel free to bring any old Christmas ornaments or old keys you do not want, and string/ribbons.

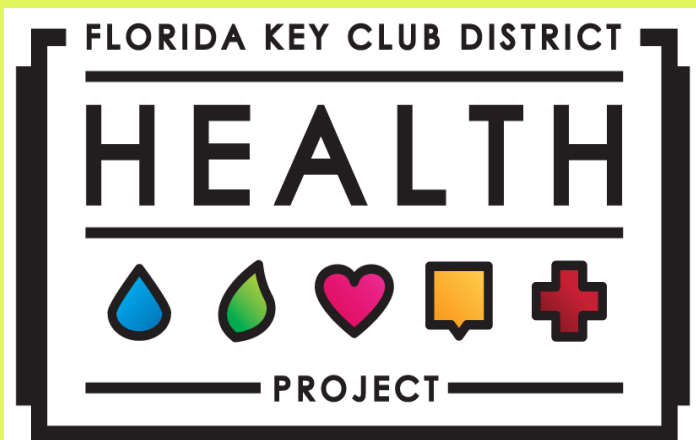

What is DCON?

Standing for the District Education and Leadership Conference, DCON is an event that involves every Key Club in the Florida district. It is a 3 night event taking place at Orlando Rosen Shingle, and this year it's being organized by Rebecca Yap (our previous lieutenant gov.). DCON has multiple meetings and workshops for members and incoming officers to learn how to get involved with their clubs. It also ends with Governor's banquet, and Governor's ball. During DCON is also the election for district board positions, such as district governor. The elections are a great way for club officers to learn about governor's project, and can influence members to run for a higher position. Key Clubbers also get to meet their

they have planned for their division.

Awards are given out for things like service hours, membership increase, scrapbooks, t-shirts, and more. The theme for this year is celebrating over 80 years of service, so the color scheme will likely be similar to the Kiwanis logo: blue and gold. The original price was \$300, but Key Clubbers only have to pay 1/3 of the fee, and Kiwanis covers the rest. The rooms are split amongst 4 people, and everyone gets to pick their roommates (unless there's an odd number). We hope to see you there this year!
